What is ARAG Legal Insurance?

ARAG is a leader in legal insurance. Legal insurance protects consumers and their families against life's legal issues – like writing a will or a dispute with a neighbor – through a nationwide network of attorneys and access to legal resources. Much like health insurance pays for the cost of visiting a doctor, legal insurance covers the cost of working with an attorney.

*Limitations apply. Your 30-Day Free Service Trial does not include:

1. Services for matters against ARAG.
2. Matters arising out of your profession, business interests, occupation, employment, workers or unemployment compensation, relocation required by an employer, patents or copyrights.
3. Services for the benefit of a person other than you.
4. Matters out of the jurisdiction of the United States of America.
5. Matters which require, in your and/or the Telephone Attorney's opinion, your personal presence in a firm's office or your direct and personal representation by another attorney.
6. Immigration assistance services.

Offer of 10% off valid on Legal Protection Plus only in the US (excluding Alaska) at www.ARAGlegal.com. Promotional discount is only available on the service portion of this ARAG legal plan.
